From (Name) Lieut-Col.S.C.Contractor, M.B., I.M.S.,
(Designation) Chief Inspector of Certified Schools.

To The Secretary to the Government of Madras,
HOME Department.

Sir,

The Headmaster, Junior Certified School, Bellary states that, as the members of the staff of the School are expected to be at the School throughout the day, they should have (under Rule 22 of the Madras Children Act 1920) a recreation club near the school. He has therefore recommended that the small storied building, which is just outside the school, may be allotted as a recreation room for the staff. It is reported that the Executive Engineer, Bellary who was addressed in the matter wanted the approval of Government to permit the use of the building cited above as a recreation room for the staff.

In this connection, I wish to bring to the notice of Government that the members of the staff of the Senior Certified School, Chingleput are also having a recreation club.

I therefore request that sanction may be accorded for using the small storied building, which is just outside the School and which is also vacant as a recreation room for the members of the staff of the school, free of rent.

Lieut-Col., I.M.S.,
Ch. Inspector of Certified Schools.

From the Superintending Engineer, Bellary Circle,
No. 274 W dated 6th May 1939.

Buildings - Bellary - P.W.D. - Building near the Junior Certified School - Allotment to the members of the School staff for use as a recreation room.

Copy forwarded to Government with reference to their Memorandum No. 1849 C/39-1 dated 15th April 1939.

2. The Superintending Engineer is being asked to submit proposals for utilising the other buildings mentioned by him as quarters for the school staff, with particulars as to the probable expenditure to be incurred on repairing them to suit residential purposes.

for Chief Engineer, P.W.D.

To the Secretary to Government,
Public Works Department with copy of Superintending Engineer's letter.

(Enclosure)

Copy of letter from the Superintending Engineer,
Bellary Circle No. 274 W dated 6th May 1939.

Sub:- Buildings - Bellary - P.W.D. Building near the Junior Certified School - Allotment to the members of the School staff for use as a recretation room.

The building in question is the Barracks detention room, item No. 18-1 of the Register of Buildings in the Plassey Barracks (Jail).

Its plinth area is 812 sq.ft. and capital cost Rs.351/-

The standard rent of the building works out to --

Rs. $\frac{351 \times 6}{100}$ or Rs. 21/- per year or Rs. 1-12-0 per month.

There is no objection to its being used by the members of the Junior Certified School staff, as a recreation room

room free of rent.

In regard to the enquiry in item 3 of Government Memo. I have to state that in this locality and in close proximity to the building under reference there are also a number of other vacant buildings as noted below:-

1. Item No. 18-4 similar to the one now proposed to be used as a recreation room.
2. Items 18-2 and 18-3 known as Guard detention rooms each with a set of 8 rooms.
3. A major portion of the Guard room a portion of which is now occupied as quarters by the Assistant Superintendent of the Junior Certified School.
4. Three blocks viz., Barracks Nos. 15, 16 and 17 (married men's quarters) with 16 quarters in each Block.

If it is decided to provide the school staff with quarters, these vacant buildings may be allotted to them after carrying out the necessary repairs to suit their requirements. This obviates the necessity of having to construct separate additional buildings to serve as Kitchen, latrine etc. It does not appear worthwhile to consider the feasibility of converting this building into quarters.

Junior Certified School, Bellary - Recreation room for members of the staff.

***

Please see the Chief Inspector's letter on pp.1-2 c.f. He proposes that a small storied building which belongs to the P.W.D. situated just outside the Junior Certified School, Bellary may be allotted free of rent as a recreation club for the members of the staff in the Certified School. The following are the reasons urged in favour of the proposal:

pp 1-2 cf

p. 4 cf

p. 1 cf

(1) The members of the staff are expected to be at the school throughout the day (under rule 22 of the rules under the Children Act) and so a recreation club is necessary for them.

Bk No 1-A in Secy's shelf

It may be noted that under rule 22 of the rules under the Children Act, without the written sanction of the Headmaster, the members of the staff shall on no account absent themselves from the headquarters at night, if they are provided with quarters in the school. It has been stated that all the members of the staff of the Junior Certified School, Bellary are not provided with quarters in the school.

Bk No 1-A in Secy's shelf.

p. 4 cf.

p. 2 cf.

(2) The members of the staff of the Senior Certified School, Chingleput are having a recreation club.

As they pay it up Monday, presumably the "annual licence fee" is levied under the G.O. 2561 general orders of 1936 on the recreation clubs in Govt. compounds.

It has been stated that the recreation club in the Senior Certified School, Chingleput has

been constructed by private subscriptions, subject to the payment of a nominal license fee of Re.1/- per annum. p.4cf.

2 It is for consideration whether the C.I.'s proposal to allot the building free of rent to the staff may be accepted in this department.

P.W.D. and Finance should see.

Please see my minute, in blue ink. The present case is more of a "sitting-room" than of a "club", and there is no objection, I think, to letting the staff use the place as such, free of rent.
